

Be inspired and achieve together

March 27th 2020

Dear Parents and Carers,

We hope that you are all well as you come to the end of the first week of home learning. Thank you also to all the people who have got in touch with ideas and support for our students during this time.

We have set up a community page on Show My Home Work where you can share ideas with each other to help support students and their families through the next few weeks.

The page link is below and we are asking parents/carers and students to email in suitable tips and resources under the following areas so they can be uploaded by school to Show My Home Work.

Please put one of the below headings in your sharing email along with the information, website or attachment:

- Mindfulness and Well-being
- Outdoor learning- things to look out for/do in the garden, yard or on a local daily walk.
- Reading recommendations
- Organising your learning- timetable tips and time management
- Creative ideas
- Exercising and Staying Healthy
- On-line learning pages and platforms

Email ideas to: emily.dalton@arnoldhillacademy.co.uk

We do hope as many of you can get involved as possible and it will be a great way to support each other.

Kind regards

Ms Dalton
Vice Principal
