Dear Parent/Carer

**Re: Safer Internet Day Tuesday 9<sup>th</sup> February 2021**

As part of Safer Internet Day, we want to continue to support you to educate everyone in safe use of the internet.

Click this link to set up the free account: <http://nationalonlinesafety.com/enrol/arnold-hill-academy>

Once accessed you can:

- 1) view most recent and popular content (updated weekly)
- 2) vote for topics most important for you and your families
- 3) search for content including courses, explainer videos, webinars, top tips. and PDF files
- 4) set up notifications
- 5) set up account preferences and manage your account

There is no limit to the number of accounts that you can have. You can also set one up for other family members, including your children.

These two parent/carers courses are very engaging and useful, (with no exam!)
