Risk rating		Likelihood of occurrence		
		Probable	Possible	Remote
Likely impact	Major Causes major physical injury, harm or ill-health.	High (H)	H	Medium (M)
	Severe Causes physical injury or illness requiring first aid.	H	M	Low (L)
	Minor Causes physical or emotional discomfort.	M	L	L

For the purpose of this risk assessment, we have used the term ‘coronavirus’ to refer to coronavirus disease 2019 (COVID-19). This document should be read in conjunction with the most up to date guidance which changes frequently to ensure we are following the most recent version. <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools> . This risk assessment should also be followed in line with local level risk assessment. (Each individual site/ Office)

			<ul style="list-style-type: none"> Confidentiality of staff, volunteers and pupils with either confirmed or suspected cases of coronavirus must be adhered to 				
Poor hygiene practice	Staff/ pupils and visitors are at possible risk of contracting/transmitting Covid-19	H	<ul style="list-style-type: none"> Posters are displayed throughout the school reminding pupils to wash their hands, e.g. before entering and leaving the school. Additional alcohol-based sanitiser (that contains no less than 60 percent alcohol) is provided for use where social distancing cannot be adhered to. Sanitiser is found in all corridors where there are sanitising stations set up centrally to all rooms, each time tabled room will have its own sanitising equipment either internal to the room or external. Infection control procedures are adhered to as much as possible in accordance with the DfE and PHE's guidance. Sufficient amounts of soap (or hand sanitiser where applicable), clean water, paper towels or hand dryers and waste disposal bins are supplied in all toilets and kitchen areas, where possible these bins should have a lid and be operated by foot for opening to minimise touching unnecessary surfaces. Bar soap is not used, in line with the Infection Control Policy – liquid soap dispensers are installed and used instead. Pupils are supervised by staff when washing their hands to ensure it is done correctly, where necessary and where possible. Pupils do not share cutlery, cups or food. All utensils are thoroughly cleaned before and after use. 	Y	Principal/Site Manager	03/03/21	M

			<p>the quantity but will ensure they are closed at the end of the day.</p> <ul style="list-style-type: none"> ▪ Visitors into the classroom must be kept to a minimum, the teacher and TA only where possible. ▪ All users of the room including staff, students, assistants and other person who may use that room must wear a face mask or a face shield if more than 1 person is in the room. This includes whilst teaching. ▪ Contractors and Visitors must pre-arrange site visits with the school. The setting must engage with track and trace and take details of anyone who attends the site in line with current guidance. ▪ Visitors including parents / carers must make an appointment where possible before attending the site and will be advised to stand at a distance of 2 meters from any staff or other pupils at the school. Parents / carers will be reminded via letters and e-mail that they must social distance when dropping their children to school and only 1 member of each household where possible should drop their children off. ▪ All visitors must wear a face covering. ▪ Deliveries will be left in an allocated area outside reception, reception staff will liaise with the site team regarding the delivery. Fire exits should not be blocked by deliveries in any circumstances. 				

Area for concern	Who is at risk	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
			<ul style="list-style-type: none"> ▪ Sanitiser will be placed at several locations throughout the school and should only be used where handwashing facilities are not immediately available. ▪ Visitors must sign in using the booklet system and MUST sanitise hands before and after use. Hand sanitiser must be available to use. Signage clearly displayed in reception advising of sign is protocol. Track & Trace must be completed. ▪ During Wet breaks or Lesson Changeovers, which are signalled by 3 pulses of the school bell towards the end of a session, staff and students are encouraged to wear face coverings when lining up in indoor areas or when travelling on corridors and going directly to next lesson. If the weather is unsuitable for outside line ups then: <ul style="list-style-type: none"> - Year 7 is to line up in the Snack chat area - Year 8 is to line up in the B-block Hall - Year 9 is to line up in the A-Sports hall - Year 10 is to go straight to their next time tabled room - Year 11 is to go to A-Hall. <p>Whilst the test centre is set up in A-Sports Hall, if a wet break or line up is required, the central dividing curtain will be used to separate the testing centre from the break out area and the area will be fogged before and straight after use. No year group other than the year group being tested on the day will be permitted into the testing half of A-Sports hall.</p> <p>Due to the constant need for a waiting room in the test centre, students are to go straight to their next time tabled lesson if it is poor weather rather than assembling in the A-Sports Hall.</p>				
Sharing classroom equipment		H	<ul style="list-style-type: none"> ▪ For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and pupils have their own items that are not shared. 	Y	Principal	03/03/21	M

Area for concern	Who is at risk	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
	Staff/ pupils and visitors are at possible risk of contracting/transmitting Covid-19		<ul style="list-style-type: none"> ▪ Classroom based resources, such as books and games, can be used and shared within the bubble; these should be cleaned regularly, along with all frequently touched surfaces. ▪ Resources that are shared between classes or bubbles, such as sports, art, science and technology equipment should be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles. ▪ It is still recommended that pupils limit the amount of equipment they bring into school each day, to essentials such as lunch boxes, hats, coats, books, stationery and mobile phones. Bags are allowed. Pupils and teachers can take books and other shared resources home, although unnecessary sharing should be avoided, especially where this does not contribute to pupil education and development. Similar rules on hand cleaning, cleaning of the resources and rotation should apply to these resources. ▪ Children and adults to wash hands before and after handling books ▪ Wash hands before and after collecting book packs from shelves ▪ Packs of reading books to be taken from shelves by adults ▪ Limited number of adults collecting book packs from shelves ▪ Clean surfaces that children are touching more regularly ▪ Considerations for returning reading scheme books/packs ▪ Storage space or box for reading scheme books/packs being returned ▪ Books with a plastic cover to be left in the classroom for quarantine period of 72 hours before being handled again 				

Area for concern	Who is at risk	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
			<ul style="list-style-type: none"> Books with a cardboard/paper cover to be left for 24 hours before being reused Rotating boxes can be used to house books so that there is a distinction between books that are ready to use, those that need to be isolated for 72 hours and those for 24 hours Suggested action for sending books home Implement quarantine period on the return of books Safely store the books and material while in quarantine Promote the use of e-books and audio books 				
Poor management of infectious diseases	Staff/ pupils and visitors are at possible risk of contracting/transmitting Covid-19	H	<ul style="list-style-type: none"> Staff are vigilant and report concerns about a pupil's symptoms to a first aider. The school is consistent in its approach to the management of suspected and confirmed cases of coronavirus. Social distancing measures are implemented as much as possible and PPE is worn where possible. (PPE will be given out in accordance to the most up to date government guidance). The site manager monitors the cleaning standards of school cleaning contractors and discusses any additional measures required with regards to managing the spread of coronavirus with the Head of estates and facilities. 	Y	Principal/Site manager	03/03/21	M
Lack of communication	Staff/ pupils and visitors are at possible risk of contracting/transmitting Covid-19	H	<ul style="list-style-type: none"> Any staff member must report immediately to the Principal about any cases of suspected coronavirus, even if they are unsure. The Principal contacts the local HPT immediately about any suspected cases of coronavirus, even if they are unsure, and discusses if any further action needs to be taken. School to put into place any actions or precautions advised by the Dfe and their local HPT. https://www.gov.uk/health-protection-team 	Y	Principal	03/03/21	M

Area for concern	Who is at risk	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
			<ul style="list-style-type: none"> ▪ School to contact the Dfe’s helpline as to any measures that need putting in place. ▪ School keep pupils and parents / carers adequately updated about any changes to infection control procedures as necessary. 				
Emergencies	Staff/ pupils and visitors are at possible risk of contracting/transmitting Covid-19	H	<ul style="list-style-type: none"> ▪ All pupils’ emergency contact details are up-to-date, including alternative emergency contact details, where required. ▪ Pupils’ parents / carers are contacted as soon as practicable in the event of an emergency. ▪ Pupils’ alternative contacts are called where their primary emergency contact cannot be contacted. ▪ The schools fire risk assessment has been updated to show the new locations each year group (bubble) is to assemble. These assembly points are located away from other bubbles and follow the social distancing advice where possible. ▪ In the case of a fire, the Covid-19 risks assessment will no longer be the priority and the fire risk assessment will be. The fire risk assessment priorities the immediate dangers created by the possibility of fire over the risk of Covid-19. Once everything is under control and the threat to life has been removed, the school shall then place the Covid-19 risk assessment as a priority again. ▪ An electronic link to the Fire Risk Assessment Covid amendment will feature in the weekly Staff Briefing document which goes out to all staff. 	Y	Office/Principal	03/03/21	M
