Dear Parent/Carer

Re: Home Testing

This week, students will receive their final Covid-19 lateral flow test in school. On the day of their final test they will be given 2 home test kits containing 6 tests in total. The current guidance is that students should test twice a week, 3-5 days apart. Any positive tests must also be reported to the Academy as soon as possible to enable use to complete track and trace of close contacts. If you experience any problems completing the test, please contact the relevant Head of Year. All tests must be using this link - <https://www.gov.uk/report-covid19-result>.

Information and videos of the testing procedure are attached below.
