

Be inspired and achieve together

24th February 2021

Dear Parent/Carer

Re: Year 9 Remote Options Evening: 24th February 2021

We are very pleased and excited to launch the Year 9 options website. The site contains all of the information that you and your child will need to successfully choose the option subjects.

Key Information

Watch the video presentation first, as this holds all information required

Click through the subject videos, these can be found on the top tab

Today, students will have accessed their strengths and weakness' in their guidance class with their tutor's support. Another session will follow next week.

This site will be launched and sent to you at 4pm on 24th February 2021. It will remain 'live' for the whole process.

A Reminder of Key Dates

Guidance lessons will be delivered in a LIVE lesson on Teams so that the students' tutor will be supported through the process, as we would if in school

Taster lessons will be available on Satchel One from 1st March 2021

A remote parents' evening will be held on 24th March 2021 (details about how to access this will be sent 2 weeks before the evening)

Assessment data will be sent on 24th March 2021

As you know from Year 8 bridging curriculum, we recommend that students continue with their futures option. We have built our option columns to accommodate this.

Arnold Hill Academy is part of the Spencer Academies Trust
