Dear Parent/Carer

Re: Academy Uniform September 2021

We have spoken to our students and the student council and updated our uniform policy, and this can be found here:

[AHA Uniform Policy](#)

Our students said that they wanted to be more comfortable when being taught PE outside, especially during the winter, so we have replaced the 'outdoor top' with a rain-jacket, which will provide more protection from the weather. The outdoor top is still available but is not compulsory, so there is no increase in cost to you. The rain-jacket is compulsory for all new students in Year 7 but is available to purchase for other year groups, should you wish to do so.

We have also 'updated' the design of the PE Polo shirt, as the green one tends to fade quite badly. The green polo shirt is no longer available. The new items are shown here:

The rollout of the 'new' Academy 'kilt' will continue with the new Year 7 cohort in September and for those children that wish to wear a 'skirt', it will be worn by two year groups (Years 7 and 8).

New uniform is available, as always, from our supplier Schoolwear Solutions [Schoolwear Solutions - Arnold Hill Academy](#)
