Dear Parents/Carers

Re: Step 4 of the roadmap and the remainder of this Summer Term

As the country moves to Step 4 of the roadmap next week the government advises we should:

1. Ensure good hygiene for everyone.
2. Maintain appropriate cleaning regimes.
3. Keep occupied spaces well ventilated.
4. Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19.

With transmission rates still high in the local community, for the remainder of this summer term students and staff will **still be required** to wear face coverings when in classrooms or elsewhere inside academy buildings, unless of course they are exempt.

We will update you on arrangements for the start of the new academy year in September in due course.

Kind regards,

Matt Robertson
Principal
